DWOLLA E-WALLET DEPOSIT PROCEDURES

Deposit Procedure

Funding for your wagering account is now available using the DWOLLA service. The DWOLLA method involves a link to your bank account that will enable you to fund your MutuelsOnline wagering account in a few easy steps.

- Use your registered bank account to make an electronic ACH transaction to fund your DWOLLA account. Be aware that this method may require some extra initial time to register your bank account to your DWOLLA account.

¹ Your banking provider may charge additional fees

Begin by creating your DWOLLA account

1. Log into your wagering account.
2. Click the Fund button located in the upper right corner of the main wagering interface.
3. Click the DWOLLA selection under "Deposits".
4. Choose to either create a DWOLLA account or link your existing DWOLLA account.
IMPORTANT: Your DWOLLA account details, including name, phone number and email address, must match that of your wagering account.
5. If creating a new account, click on the link provided to be transferred to the DWOLLA website where you will finish creating the account and activate it.
6. Link your existing DWOLLA account to MutuelsOnline by accessing your DWOLLA account in the deposit area of the fund your account section. Provide your DWOLLA account ID (ID #, email or phone number) and DWOLLA account password.
7. Fund your account via DWOLLA from your bank account by typing in the amount of the deposit and your DWOLLA Pin. Funds will be available immediately.

Fund from Bank Account Source
